

# Are you ready for an Adventure?

As of September 2016, Bedford Salvation Army will be offering 3 exciting opportunities. Alongside great experience, there will be free accommodation, the opportunity for training; anything from short courses to a degree in the appropriate field of interest, and space to discover God's calling on your life.

*Do you love working with children and their families?*

*Do you feel enthusiastic about coming alongside young people?*

*Do you have a heart for community and connecting with people?*

Each stream will include a varied weekly schedule, but with an individual focus. Ideally we are looking for people who have some experience in these areas, but if you haven't, don't worry! We'd still love to hear from you.
